Re: Graves for Congress
Identification Number: C00359034
Midyear Report (1/1/01-6/30/01) (Amended)

Dear Ms. Pittman:

The Graves for Congress Committee has amended its Mid-Year Report (1/1/01-6/30/01) and filed it in an electronic format on December 21, 2001 as requested. This letter will further supplement that amended report.

With respect to unnumbered paragraphs one (1) through six (6) on pages 1 and 2 of your letter dated November 14, 2001, please be advised that the Committee, at each original point of solicitation, requested the contributor's name, address, home and business telephone, e-mail address, occupation, employer, and whether or not the contributor was self-employed. All solicitations include a 4 x 5 card for the contributor to complete the requested information, whether it was by mail or at a fundraising event. In addition, after it became apparent that certain contributors had not furnished the requested information, a second follow-up letter was sent to those contributors in the form prescribed by the Code of Federal Regulations. We can forward to you a complete set of those follow-up requests if desired. However, we have attached a list (see Schedule A) of all of the contributors from whom additional information has been requested. As that contributor information is furnished, we

have in the past, and will continue to do so in the future, file either an amended Schedule A with our next regularly-scheduled report listing all of the contributions for which additional information was received, or, on or before the next regularly-scheduled reporting date, file an amendment to the report.

The amended mid-year report just filed reflects the addition of addresses, employers and occupations from contributors as a direct result of the follow-up solicitation or additional investigation as of this time. As more information is received, it will be included in the year-end report.

Also enclosed are copies of various fundraising solicitations utilized during the reporting period from January 1 through June 30, 2001 and following. In addition, we are enclosing copies of the requested response cards used which seeks the information requested from all recipients.

With respect to the fifth unnumbered paragraph on page 2 that commences "- Schedule D" relating to debt, this section has been amended to clearly state the nature or purpose of each debt during the reporting period. Also other changes have been made were needed to clarify the information reporting.

With respect to the sixth unnumbered paragraph on page 2 that commences "- Your Report" please be advised that the mid-year report has been amended to aggregate and report receipts and disbursements on an election cycle to date basis in column B as requested. We assume that we still report contributions and disbursements on a reporting period basis in column A, that is January 1 to June 30. However, we have attempted with this amended report to provide election cycle to date figures in column B. If we are incorrect in our assumption, we would appreciate being advised.

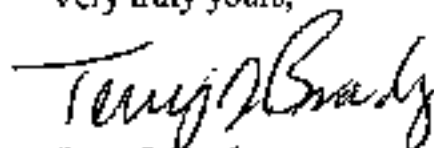

Schedule D "Debts and Obligations" in the report for the period ending December 31, 2000, reflected a debt and obligation under the name McRuer & Weishaar of \$21,250.00. McRuer & Weishaar were the Committee's certified public accountants and responsible for the Committee payroll. The payroll responsibility has now been transferred to Automatic Data Processing Systems (ADP). The obligation of \$21,250.00 represents accrued unpaid wages to former Committee employee, Jewell Patek. This debt and obligation appears in the mid-year report for the period ending June 30, 2001 as a debt and obligation to Jewell Patek in the amount of \$21,250.00 for unpaid wages.

As previously stated, this letter constitutes a narrative response and supplement to the amended report filed electronically as requested. If we can furnish additional information or be of additional assistance, please do not hesitate to advise.

Very truly yours,
